

§ 163.4

sustained yield basis, continuous productivity and a perpetual forest business;

(4) The development of Indian forest land and associated value-added industries by Indians and Indian tribes to promote self-sustaining communities, so that Indians may receive from their Indian forest land not only stumpage value, but also the benefit of all the labor and profit that such Indian forest land is capable of yielding;

(5) The retention of Indian forest land in its natural state when an Indian tribe determines that the recreational, cultural, aesthetic, or traditional values of the Indian forest land represents the highest and best use of the land;

(6) The management and protection of forest resources to retain the beneficial effects to Indian forest land of regulating water run-off and minimizing soil erosion; and

(7) The maintenance and improvement of timber productivity, grazing, wildlife, fisheries, recreation, aesthetic, cultural and other traditional values.

§ 163.4 Secretarial recognition of tribal laws.

Subject to the Secretary's trust responsibilities, and unless otherwise prohibited by Federal statutory law, the Secretary shall comply with tribal laws pertaining to Indian forest land, including laws regulating the environment or historic or cultural preservation, and shall cooperate with the enforcement of such laws on Indian forest land. Such cooperation does not constitute a waiver of United States sovereign immunity and shall include:

(a) Assistance in the enforcement of such laws;

(b) Provision of notice of such laws to persons or entities undertaking activities on Indian forest land; and

(c) Upon the request of an Indian tribe, the appearance in tribal forums.

Subpart B—Forest Management and Operations

§ 163.10 Management of Indian forest land.

(a) The Secretary shall undertake forest land management activities on

25 CFR Ch. I (4–1–07 Edition)

Indian forest land, either directly or through contracts, cooperative agreements, or grants under the Indian Self-Determination and Education Assistance Act (Pub. L. 93-638, as amended).

(b) Indian forest land management activities undertaken by the Secretary shall be designed to achieve objectives enumerated in § 163.3 of this part.

§ 163.11 Forest management planning and sustained yield management.

(a) To further the objectives identified in § 163.3 of this part, an appropriate forest management plan shall be prepared and revised as needed for all Indian forest lands. Such documents shall contain a statement describing the manner in which the policies of the tribe and the Secretary will be applied, with a definite plan of silvicultural management, analysis of the short term and long term effects of the plan, and a program of action, including a harvest schedule, for a specified period in the future. Forest management plans shall be based on the principle of sustained yield management and objectives established by the tribe and will require approval of the Secretary.

(b) Forest management planning for Indian forest land shall be carried out through participation in the development and implementation of integrated resource management plans which provide coordination for the comprehensive management of all natural resources on Indian land. If the integrated resource management planning process has not been initiated, or is not ongoing or completed, a stand-alone forest management plan will be prepared.

(c) The harvest of forest products from Indian forest land will be accomplished under the principles of sustained yield management and will not be authorized until practical methods of harvest based on sound economic and silvicultural and other forest management principles have been prescribed. Harvest schedules will be prepared for a specified period of time and updated annually. Such schedules shall support the objectives of the beneficial land owners and the Secretary and shall be directed toward achieving an approximate balance between net

growth and harvest at the earliest practical time.

§ 163.12 Harvesting restrictions.

(a) Harvesting timber on commercial forest land will not be permitted unless provisions for natural and/or artificial reforestation of acceptable tree species is included in harvest plans.

(b) Clearing of large contiguous areas will be permitted only on land that, when cleared, will be devoted to a more beneficial use than growing timber crops. This restriction shall not prohibit clearcutting when it is silviculturally appropriate, based on ecological principles, to harvest a particular stand of timber by such method and it otherwise conforms with objectives in § 163.3 of this part.

§ 163.13 Indian tribal forest enterprise operations.

Indian tribal forest enterprises may be initiated and organized with consent of the authorized tribal representatives. Such enterprises may contract for the purchase of non-Indian owned forest products. Subject to approval by the Secretary the following actions may be taken:

(a) Authorized tribal enterprises may enter into formal agreements with tribal representatives for the use of tribal forest products, and with individual beneficial Indian owners for their forest products;

(b) Authorized officials of tribal enterprises, operating under approved agreements for the use of Indian-owned forest products pursuant to this section, may sell the forest products produced according to generally accepted trade practices;

(c) With the consent of the beneficial Indian owners, such enterprises may, without advertisement, contract for the purchase of forest products on Indian land at stumpage rates authorized by the Secretary;

(d) Determination of and payment for stumpage and/or products utilized by such enterprises will be authorized in accordance with § 163.22. However, the Secretary may issue special instructions for payment by methods other than those in § 163.22 of this part; and

(e) Performance bonds may or may not be required in connection with op-

erations on Indian land by such enterprises as determined by the Secretary.

§ 163.14 Sale of forest products.

(a) Consistent with the economic objectives of the tribe and with the consent of the Secretary and authorized by tribal resolution or resolution of recognized tribal government, open market sales of Indian forest products may be authorized. Such sales require consent of the authorized representatives of the tribe for the sale of tribal forest products, and the owners of a majority Indian interest on individually owned lands. Open market sales of forest products from Indian land located off reservations will be permitted with the consent of the Secretary and majority Indian interest of the beneficial Indian owner(s).

(b) On individually owned Indian forest land not formally designated for retention in its natural state, the Secretary may, after consultation, sell the forest products without the consent of the owner(s) when in his or her judgment such action is necessary to prevent loss of value resulting from fire, insects, diseases, windthrow or other catastrophes.

(c) Unless otherwise authorized by the Secretary, each sale of forest products having an estimated stumpage value exceeding \$15,000 will not be approved until:

(1) An examination of the forest products to be sold has been made by a forest officer; and

(2) A report setting forth all pertinent information has been submitted to the approving officer as provided in § 163.20 of this part.

(d) With the approval of the Secretary, authorized beneficial Indian owners who have been duly apprised as to the value of the forest products to be sold, may sell or transfer forest products for less than the appraised value.

(e) Except as provided in § 163.14(d) of this part, in all such sales, the forest products shall be appraised and sold at stumpage rates not less than those established by the Secretary.

§ 163.15 Advertisement of sales.

Except as provided in §§ 163.13, 163.14, 163.16, and 163.26 of this part, sales of
